

*The mission of Lamb's Lunch is "Christian Churches Serving the Community". The purpose is to feed the physical and spiritual needs of the less fortunate in Boulder as well as provide opportunities for Christians to grow together in relationship and service as they demonstrate the love of Jesus to the homeless and others.*

*Thank you so much for volunteering to serve through the Lamb's Ministry! We value your time and pray that your experience as the hands and feet of Jesus to the least of these is rewarding.*

- For more details you can check our website at [www.lambsmintistry.org](http://www.lambsmintistry.org) where you will find the churches involved in this ministry, our mission, goals and a volunteer manual with details about how the typical Lamb's Lunch runs on Saturdays.*
- Before you come - please pray for the day's activities, for the volunteers, the guests, the meal and the conversations to be glorifying to God. If you are unable to serve due to illness or another unexpected event, please notify the leader.*
- We serve lunch at the Fallout level of First Presbyterian Church, 1820 15<sup>th</sup> Street in Boulder. You can pay and park on streets surrounding the church, or park for free in the city parking lots. If there is parking available at the church feel free to park there.*
- Leave personal belongings at home or locked in your car. We don't have much room for storage. Do not bring money, so you are not tempted to give it out to someone in need. If money or other requests are made, then find a leader and they may have referral services for the needs of our guests (such as EFFA, Boulder County Cares, Homeless Shelter).*
- The Saturday schedule is as follows:*

|                               |                       |

*Again, it is our desire to building a community that offers a spiritual environment where people can get away from the harsh climate of street life and come to know the transforming powers of our Lord Jesus Christ.*
